

Hello Carols by Candlelight Singers and Families!

This year 1CC and MVG will combine with the Adelaide Philharmonia Chorus to be the Choir for Carols. It's an intense period with a couple of late nights, but when you see all the candles and see the fireworks at the end, it's all worthwhile.

The opening of Carols also features 2CC, who will sing "Carol of the Bells" as a cameo, so we are so proud to have 3 YAV Choirs represented at this first Carols since 2019.

We realise there are many people who have not done Carols before, and we will all read through the music together tomorrow evening. Our rehearsals on Saturday give us plenty of time to go through any other part of the music we don't know.

Once Carols is over, we are on holidays! Please make sure you return all your music for 2022 tomorrow.

Our UPDATED 1CC & MVG schedule is below:
